Our new 2019 workshop schedule is:

Tuesdays 3:30 - 4:30 Art with Ms. Quan

Let's get creative with art! Come be a part of multimedia art. Art can be both fun and relaxing. Learn about abstract art. We will focus on the experience of art. It is a process and not just a product that we create in art. We will be using all different mediums such as crayons, water colors, tempura paint, and india ink to create our project. No experience necessary. Art is all around us and we cannot wait to explore it with you!

Wednesdays 3:30 - 4:30 Ballroom Dancing with Ms. M

Welcome to the world of ballroom dancing! Have you ever watched Dancing with the Stars and thought I want to dance like that? Well join us every wednesday to learn the basics to the Lindyhop, Salsa, and other styles of dancing! We will practice with partners and master some fun stylized moves. Come have fun dancing with us, no experience necessary!

Wednesdays 3:30 - 4:30 Helpful Home Skills with Miss Bybee (\$20 material fee)

Join us every week as we tackle a new home skill lesson! Home skills club will leave learners feeling independent at home as they learn all the trades! Learners will have the opportunity to learn how to cook, clean, budget, and sew. Learners will also work together to understand basic first aid. Various homemade items will also be explored through (but not limited to) homemade bath bombs, sugar scrub, bird feeders, and potpourri. Learners will be eager to show others what they learn in their home skills club, and many of these activities will be useful in your home!

Helpful home skills will be \$20 in order to provide many cool supplies and materials for learners.

Fridays 12:30-1:30 Theater with Mrs. Morrison

The best way for young actors to grow is for them to perform. This semester our after school Theatre Club will rehearse and perform a scripted play. Students will rehearse Friday afternoons and perform at the end of the year for an invited audience of family and friends. Theatre Club is a creative, fun, team oriented after school activity that requires a big time commitment and provides a great personal reward when completed. In order to produce a quality production, attendance is of the utmost importance.

Fridays 12:30 - 1:30 Spirit Squad with Ms. Tyler

This semester we are introducing iLEAD Spirit Squad. The spirit squad is for girls and boys of all ages. The purpose of the spirit squad is to motivate and positively influence the student body. Join us and learn chants, dances and stunts to invoke school spirit for our campus. Please bring water, a snack, and tennis shoes.

REMINDER! There is no school on Monday the 21st in honor of Martin Luther King Jr.
