2020—2021 School Accountability Report Card

Reported Using Data from the 2020—2021 School Year

California Department of Education

Address:	11311 Frascati St. Agua Dulce, CA , 91390-4840	Principal:	Lisa Latimer, Director
Phone:	(661) 268-6386	Grade Span:	K-12

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

About Our School

Welcome to iLEAD Agua Dulce!

iLEAD Agua Dulce is a tuition-free, public charter that educated learners in grades TK-8 during the 2020-21 school year. Our school offers a learner-centered approach to education that focuses on project-based learning and social-emotional learning principles that adhere to the Common Core Standards.

iLEAD Agua Dulce's Schoolwide Learner Outcomes were carefully selected to develop the whole child with a focus on academic and social-emotional learning. These include: academic rigor, college and career readiness, critical thinking, curiosity, gratitude, grit, growth mindset, optimism, purpose, self control, social intelligence, and zest. Social-emotional learning (SEL) is the process through which children and adults understand and manage emotions, set and achieve positive goals, feel and show empathy for others, establish and maintain positive relationships, and make responsible decisions.

Through open, fun learning environments that include small town community collaborative projects, it is our goal to build an engaging educational experience based on standards with a focus on your child's unique strengths and playful love of learning.

School Description and Mission Statement (School Year 2021—2022)

iLEAD Agua Dulce prioritizes a positive, supportive, and inviting environment where our students (learners) can focus on their development. In addition to academic excellence, the school staff is committed to supporting learners' development of emotional intelligence, life skills, and community engagement. iLEAD Agua Dulce's teachers (facilitators) and success coaches are devoted to providing learners with the best academic and emotional support by way of small class sizes and individualized attention.

The mission of iLEAD Agua Dulce is to provide a rigorous, relevant, inquiry-based, self-directed and collaborative learning environment for learners in grades TK-12, inspiring them to become lifelong learners with the skills to lead in the 21st century.

The vision of iLEAD Agua Dulce is that all learners would become creative problem solvers, critical thinkers, compassionate leaders, conscientious collaborators, and responsible citizens who develop a lifelong love of learning. These are the qualities that develop our learners into leaders, today and in the future. Learners achieve this through the iLEAD educational model.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Preparation and Placement (School Year 2020—2021)

Total Teaching Positions						

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

iLEAD Agua Dulce takes great efforts to ensure that its facilities are clean, safe, and functional. To assist in this effort, iLEAD Agua Dulce uses a facility survey instrument developed by the State of California OPSC. The results of this survey are available at the school's office. Using the Facility Inspection Tool (FIT), the school's overall condition was rated as good in January 2022. The school's systems, interior, cleanliness, electrical, restrooms/fountains, safety, structural, and external systems were rated as good.

Last updated: 2/1/22

School Facility Good Repair Status

Using the most recently collected Facility Inspection Tool (FIT) data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: January 2022

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

- **SARC Reporting in the 2020–2021 School Year Only**

Where the most viable option, LEAs were required to administer the statewide summative assessments for ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
 - Available to students in grades 3 through 8, and grade 11; and
 - Uniformly administered across a grade, grade span, school, or district to all eligible students.
- **Options:** Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:
 - Smarter Balanced ELA and mathematics summative assessments;
 - Other assessments meeting the SBE criteria; or
 - Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.
 - **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2021-2022)

At iLEAD Agua Dulce, parents/guardians serve many important roles in the day-to-day operations of the school, as well as the strategic planning and overall vision of the school community. As families enroll, it is important they understand the components of the program model. iLEAD Agua Dulce makes accommodations to meet the unique schedules of parents/guardians to ensure every opportunity for them to attend an orientation meeting where they can have questions answered and/or connect with other families who have learners already enrolled in the program.

Parents/guardians are regularly informed about school events, volunteering opportunities, special committees, parent meetings, and other pertinent information through the Monday Message, a weekly publication that is sent out to all families, as well as through Parent Square, a digital newsletter for families. Facilitators also communicate with their families on a regular basis through various forms of communication (emails, phone calls, etc.).

Parents/guardians are strongly encouraged to volunteer at iLEAD Agua Dulce. Completion of volunteer hours, however, is not a prerequisite for enrollment at iLEAD Agua Dulce. The school director maintains a comprehensive list of volunteer opportunities including, but not limited to: volunteering in the classroom/school (including at-home assistance), tutoring, attending parent teacher conferences, attendance at board meetings or any applicable parent group functions, fundraising events, and/or assistance with schoolwide programs, events and activities.

For more information on how to be involved, please email info@iLEADaguadulce.org.

School Safety Plan (School Year 2021-2022)

It is the vision of iLEAD Agua Dulce to provide a safe learning environment for all of its learners, staff, and families. It is a place where learners feel welcomed and comfortable so that learning is the central focus. A comprehensive Emergency Operations Plan helps to ensure a safe environment for each learner's academic and social-emotional learning to occur. Developing and maintaining the plan enables school staff to respond quickly and knowledgeably in the case of an incident or emergency. The plan identifies the roles of staff, faculty, learners, and other key stakeholders including their respective responsibilities before, during and after an incident. The safety plan includes general policies and procedures for handling safety and specific emergency situations including earthquakes, fire and active shooter scenarios. It also includes information on child abuse reporting, sexual harassment, and discipline. This plan provides parents and other community members with assurance that iLEAD Agua Dulce has developed and established guidelines and procedures to respond to an incident or a hazard in an organized, systematic method to prevent, prepare for, respond to, and recover from an incident. The Emergency Operations Plan:

1. Protects the safety and welfare of learners and staff.

2. Provides for a safe and coordinated response to emergency situations.
3. Protects facilities and property, allowing the school to restore normal conditions with minimal confusion in the shortest amount of time possible.
4. Provides for coordination between the school and local emergency services when necessary.

The Emergency Operations Plan was last reviewed and updated in January 2022 and is stored at the office at iLEAD Agua Dulce.

Additionally, the school actively maintains and monitors its COVID-19 reopening protocols for K-12 schools through the guidelines that are routinely updated by the Los Angeles County Department of Public Health and/or the state of California. iLEAD Agua Dulce updated its COVID-19 Safety Plan and COVID-19 Prevention Program in August 2021. This policy applies to all iLEAD Agua Dulce employees and contains general prevention best practices, as well as iLEAD Agua Dulce policies and procedures related to COVID-19 in the workplace. Both the Reopening Protocols for K-12 Schools and the COVID-19 Safety Plan and Prevention Program documents are located on the homepage of the school's website, iLEADaguadulce.org.

Types of Services Funded (Fiscal Year 2020–2021)

Local Control Funding Formula (LCFF) base and supplemental funds are utilized as outlined in the Local Control Accountability Plan (LCAP) to ensure that all learners receive the intervention or enrichment support and services that are needed to help them become proficient in academic and social-emotional learning. The LCAP also details the actions associated with meeting the specific needs of English learners, foster and homeless youth, and low income learners. State and federal categorical funding is used to support learners in special education with IEP needs and goals. Title I, II and IV funding and one-time ESSER II and III funding are utilized to complement and add additional services to support at-risk learners, interventions, and to prevent, prepare and/or respond to COVID-19 needs. Additional one time Extended Learning Opportunity (ELO) grant and In-Person Instruction (IPI) funds were received to mitigate learning loss.
