iCREATE is here to provide learners with a safe and fun environment. Learners will be guided and encouraged to grow their own creative after-school experience. iCREATE offers a variety of activities and learning experiences for our learners, extending the philosophy of iLEAD Schools. The daily program consists of a choice of engaging creative indoor and outdoor activities and hands-on learner-led experiences. The annual registration fee goes toward supplies for the program.

We cannot accept children who are not enrolled at iLEAD Agua Dulce. For further questions and to register, please inquire in the office. Thank you.
